Influenza Vaccine Information Letter

Dear Parents/Guardians,

In an effort to keep our community as safe and healthy as possible, The Peddie School requires an annual influenza vaccine for all of our students. Proof of immunization is required by **November 28, 2023** (return from Thanksgiving break). Your child will not be able to attend classes or be on campus without it. (Please note that influenza vaccinations administered *before* August 1st will not be valid for the upcoming flu season.)

The Peddie School will sponsor an influenza vaccination clinic in the fall for all students (detailed information will be sent at a later date). However, you are more than welcome to have your child vaccinated off-campus any time prior to November 28th. Please send a copy of your child's proof of immunization to The Health Center at: healthcenter@peddie.org.

Please feel free to reach out to the Health Center at any time with any questions or concerns or (healthcenter@peddie.org or 609-944-7545). Please be aware that during the summer, the Health Center is open with limited hours. We will get back to you as soon as possible. Thank you in advance for your patience.

Thank you for your anticipated cooperation to keep our Peddie community as healthy and safe as possible.

Respectfully,

Aimee R. Goodman, D.O. FAAP
Director of Health Services
